ABOUT OUR SCHOOL

eAcademy is a completely virtual option for general education students from grades K through 12. Students and families will be provided the ultimate flexibility through both synchronous and asynchronous, high-quality instruction.

TECHNOLOGY REQUIREMENTS

• Home districts are to provide a device and ensure student connectivity.
• Chromebooks are recommended.
• Google Classroom is used as eAcademy's LMS system.

ENRICHMENT ACTIVITIES

eAcademy leadership and teachers are continually finding new ways to create opportunities for students and families to connect. Events like STEM Evenings and groups like Lunch Bunch help foster connections and friendships.

> One thing I really like about eAcademy is that it's all online so I feel like you have more resources and I feel connected to my classmates.
>
> – eAcademy 10th Grade Student

WHAT TO KNOW

Fully virtual, synchronous instruction.

Taught by live New York State certified instructors.

Guidance counselors, social workers, and liaisons on staff.

Seats/enrollment is limited to maintain appropriate class sizes.

OUR STUDENTS ARE:

- K - 12 Grade students.
- Students that thrive in a virtual environment.
- Physically/emotionally vulnerable students.
- Students in need of an alternative learning environment.
- Families uncomfortable returning to in-person or hybrid models.

> The staff is great and highly responsive to us and our parents. They've managed to turn a virtual environment into an inclusive community.
>
> – Kimberly Moritz, Superintendent Springville-Griffith Institute CSD
